Pete – Please see below. Will there be anybody else besides us coming out to the site? And please let me know what day is better for you. The 16th (Wednesday) is the best for me, followed by the 17th and then the 15th.

Thanks.

Jim,

I wanted to select a day early next week for your site visit. We'll have several representatives from NYSDEC participating so I wanted to provide folks with a few days notice. Please let us know what your availability is.

Thanks.

Don
